

Awed

*Hands to lips she pondered
Something unseen
Taken by the sight*

*We were taken by her
Seeing so clearly*

Dreams we had lost

Her breath was caught

By what she saw

Awe inspired her

*We saw nothing
But the awe*

She inspires

In us

Awed

Hands to lips she pondered
Something unseen
Taken by the sight

We were taken by her
Seeing so clearly

Dreams we had lost

Her breath was caught
By what she saw
Awe inspired her

We saw nothing
But the awe
She inspires

In us
