

DEADLIEST OF SINS

Green eyes can see:

anger

not red

inexperience

not sloth

admiration

not envy

new love

not lust

a salad

not a salad bar

nature

not a profit center.

Green thumbs:

are body parts to be proud of
without pretension.

Green is not just the color of money.

In that case,

I guess Green is my favorite color.

DEADLIEST OF SINS
